## CANDIDATES SET SLOGANS

Campaign slogans bloomed luxuriantly this week as Council candidates lined up at the starting post. Fourteen of the 19 nominees interviewed by the Totalizer gave forth with one-line platforms. The other four were noncommit-

tal or failed to meet the press deadline.

Here are the slogans:

### Precinct 1

TAD FUJITA—"Coordinate the interests of the nisei and issei residents."

YOSHIO KATAYAMA—"Unity (Cont'd. on P. 3)"

## SEEKING FIVE COUNCIL POSTS

### Election Tuesday

Nineteen candidates, running for five places on Tanforan's Advisory Council, whipped their campaigns into shape for Tuesday's election as interest ran high among both the issei and nisei voters.

The Council's duties were unclarified, but were expected to be similar to those of the incumbent council pro-tem; and the elected members were to draw up a charter in consultation with the Administration.

A plurality vote will elect the members, and regular election rules and procedures will be followed, including prohibition of electioneering within 100 feet of the polls, which will be open from 8 AM to 7 PM on Tuesday. Also, the ballots of persons voting for more than one candidate will be cast out.

The candidates' names will be written on the ballots in English and Japanese, and space for write-ins will be available. Booths and rubber stamps will be provided.

The polls are located as follows: Prec. 1, mess 3; Prec. 2, Laundry 3; Prec. 3, Rec. hall 3; Prec. 4, mess 13; Prec. 5, Rec. hall 4.

The precinct chairman, a judge, 2 clerks and 2 alternate clerks at each poll will check the voters from a master census of all residents over 21 and count the votes cast. The results will be posted in each precinct.

Precinct rallies, as well as a Center rally, were planned. The candidates were also introduced at the Talent Show.

Joe Sano, chairman of the election committee, urged all qualified voters to vote and to "select the right person in this democratic election."
